VISION

The vision of the Allegan Area Educational Service Agency is to be recognized as the educational leadership organization in Allegan County by providing exceptional educational programs and services to the districts, schools and communities we serve.

We will continue to improve the teaching and learning processes through early education, curriculum development, special education, technical education, financial functions, career training and technology services and support.

As an educational service agency, we will strive to be a market-driven organization and a vital educational partner for the people who work and live in the Allegan County area.
