

AAESA Board – Candidate Profile

(completed 4/2/16)

- **A strong experienced leader who will be a role model for others.**
- **Someone that can manage complex issues and successfully implement solutions who uses both data and intuition to drive decision making.**
- **An excellent communicator with strong written, oral and presentation skills.**
- **An intelligent, confident, energetic person of honesty and integrity, who values everyone and is not afraid of change or challenge.**
- **Someone with a vision for the future of the AAESA who can articulate that vision and insure it is the focus of the district's work.**
- **An outgoing individual with outstanding interpersonal skills who builds strong relationships with students, staff, local districts, their communities, and businesses.**
- **A relationship builder who clearly demonstrates commitment to the communities the AAESA serves through visibility, leadership and engagement.**
- **Someone who is committed to the collaborative efforts necessary to make the AAESA a truly service-minded agency.**
- **Someone with successful experience in finance, operations and gaining voter approval of millage and/or bond campaigns.**
- **Someone with political acumen who has the experience and skill to actively participate in and have an effect on the legislative process.**
- **Someone who has been involved with and aware of Special Education and Technical Education programs.**
