## **Allegan Area Educational Service Agency Selects New Superintendent**

The Allegan Area Educational Service Agency (AAESA) Board of Education has selected William Brown as the new Superintendent for the Agency. Mr. Brown will replace retiring Superintendent Mark Dobias.

AAESA Board President Larry Collier offered his thanks to the Michigan Leadership Institute and Regional President Gary Rider for leading the superintendent search. "I also want to thank the AAESA staff and Allegan County community members who offered their input during the search," said Mr. Collier. "The Board had a difficult decision with very highly qualified candidates. The Board felt that Mr. Brown will assist AAESA in where we want to go in the future."

Prior to being selected by AAESA William Brown served as the Assistant Superintendent for Special Education and Strategic Initiatives for the Lenawee Intermediate School District. Before that he was the Director of Special Services for Northville Public Schools. Mr. Brown holds a Master's Degree in Educational Administration from Lincoln Memorial University.

"I am honored to be selected to serve as the next superintendent of the Allegan Area Educational Service Agency," said Mr. Brown. "I look forward to working closely with my team, my community, and all of our stakeholders in order to build upon the rich tradition of high quality services provided by AAESA. My wife and I are excited about becoming active Allegan County citizens."
