

ENROLLMENT OPEN HOUSE

We need YOU to make to the 2018-2019 STAR Family Literacy Program the best year ever!

Welcome new and returning students to the STAR Family Literacy Program! My name is Evy Houser and I have had the privilege of working at STAR for the past 5 years. During that time, we have continued to offer new and exciting opportunities thanks to wonderful community support. We are small, but will make a big impact on your life as a parent, student, and your future career. We offer high school completion, GED Preparation, transportation if needed, free childcare, and many other support services to help you reach your goals!

If you are a new student, please bring your birth certificate and another form of identification. It will take about 30 minutes to fill out paperwork. Lunch forms will also be available.

School starts September 4th. Early Head Start does not open until September 5th, so we are starting our year with a "Family Gathering Luncheon" on the 4th. Details will be provided when you enroll on the 22nd of August. Looking forward to seeing old faces and welcoming new families! If you have any questions, feel free to contact STAR.
