

Allegan Area ESA

Strategic Plan 2022-2027

VISION

Ensure every learner, school, and community thrives.

MISSION

Support and engage in partnership with our districts and communities to serve all families and create and drive educational innovations.

BELIEF STATEMENTS

We believe that quality education requires strong, trusted community partnerships and community collaboration.

We believe that ALL students should have access to quality education.

We believe that education should provide the foundation for a rewarding life.

We believe that through leadership, education, and service we will be good stewards of the responsibilities with which we are entrusted.

STRATEGIC PRIORITY AREAS

Academics & Programs

Develop, provide and support relevant, high-quality regionally coordinated educational programs that meet community needs and develop lifelong learners.

Culture & Learning Environment

Support a quality learning environment and culture utilizing the whole child framework.

Personnel & Leadership

Recruit, develop, and retain highly qualified engaged, responsive employees.

Communications & Community Involvement

Foster community partnerships and create awareness of AAESA and its quality comprehensive programs and services.

Operations & Finance

Establish long-term, stable funding that provides adequate resources for programs and services.
