Governor Whitmer Signs Executive Order Suspending Face-to-Face Learning at K-12 Schools for Remainder of School Year

Executive Order sets guidelines for remote learning, ensures teachers, school employees will be paid for remainder of school year

LANSING, Mich. — Governor Gretchen Whitmer today signed Executive Order 2020-35, which orders all K-12 school buildings to close for the remainder of the school year — unless restrictions are lifted — and ensures continuing of learning by setting guidelines for remote learning. District facilities may be used by public school employees and contractors for the purposes of facilitating learning at a distance while also practicing social distancing.
