What Is Early College of Allegan County?

Early College Allegan County (ECAC) is a 3 year program that allows students to complete high school requirements and up to 62 transferable college credits and/or an Associate's Degree or Technical Certificate from Lake Michigan College. Students spend their junior and senior years ½ time at the Allegan Technical Center taking college courses and ½ time at their home high school. Year 13, students take LMC courses at the Allegan Tech Center, online or other designated location.

The purpose of ECAC is to ensure students are ready for a 4 year university, or the work place.

Early College of Allegan County is designed to prepare students for the rigors of a university and the demands of the workplace once they graduate. All students begin to enroll in college coursework during grade 11. During their 12th grade year, students take as many as 22 college credits, while still in high school and during their 13th year, students will take up to 24 college credits and complete their final high school required course (math or economics).

Students will not take the following courses at their high school during the 12th grade year:

Math	Associate in Arts Degree
Economics	Associate in Applied Science Degree
Economics	Certificate: Machining

The final high school required course will be held until the 13th year to ensure ineligibility for high school graduation until completion of the said course and program. Accepted ECAC students understand if at any time they withdraw, are dismissed or unsuccessfully complete a course they are financially responsible for reimbursement to their districts and enter into a contract prior to the program start (*See Appendix 1*).

GENERAL INFORMATION

Attendance

In order to carry out an effective attendance policy, students must have good attendance at high school as well as college. Attendance policies will be enforced from the student's high school. Attendance policies at Lake Michigan College will be enforced and established by the professor. The

Dean and Mentor will provide support for students; however it is the responsibility of the student to notify instructors if there is a conflict that will result in a student missing class.

*If you are absent from a college class for ANY reason, it is your responsibility to contact your instructor by the means communicated by them.

*You do not need to contact the Allegan Tech Center when absent from a college course.

*You should communicate your absence to the ECAC Dean/Mentor.

Closing of School

Weather: In the event that the Allegan Tech Center is closed for weather related incidences, Lake Michigan College courses will also be cancelled. If your local school district is closed for a weather related incidence and the Allegan Tech Center is open, your college class(es) will still be in session and you will have to make arrangements for transportation.

Class Cancellations: In the event that your instructor cancels class, it is their responsibility to communicate that with you – please check your Lake Michigan College e-mail regularly.

Conflicting High School Schedule: If your high school is not in session for any reason (teacher in-service, ½ day for conferences, etc.) LMC courses still run and you will be expected in class and may have to provide transportation to the Tech Center.

Lake Michigan College Schedule: Courses will follow the academic calendar from the college. There will be occurrences when your college courses are not in session while your high school classes are. The college follows a different schedule/calendar than that of your high school and you are not expected to come to the Allegan Tech Center when classes are not being held.

TextBooks

As part of the Early College program, students are not required to pay tuition or book fees. Any materials that are on the class syllabus are covered through the program. Questions regarding fees should be addressed to the ECAC Dean or Mentor.

*Textbooks are rented. Students will sign an acknowledgement that they are responsible for any loss or damage that occurs while the books are in their possession (*See Appendix 2*). A copy of this form will be given to the student.

*Textbooks will be returned on the last day the course is held or sooner to the ECAC Dean.

*Textbooks will be distributed on the first day of the semester and at that time, students will sign the acknowledgement form.

Resources/Activities

Students will have full access to all of the resources provided by Lake Michigan College including advising and tutoring. Early College students are not eligible to participate in intercollegiate athletic programs at LMC but are encouraged to join clubs and engage in the activities provided by Lake Michigan College (i.e. club sports, college organizations).

Parking

Parking at the Allegan Tech Center is free of charge however, you will need to have a visible permit issued by the front office. In order to receive a permit, you will need signed permission from a parent, your school principal, the vice principal of the Tech Center and the ECAC Dean. On days that your high school district is not in session yet college courses run, you will not need a parking permit to park at the Tech Center.

LMC Student ID Card

Students are expected to carry their LMC student ID card with them while at the Tech Center.

Changing Classes

Once a student is placed in a class, they are not allowed to withdraw without contacting the Dean or Mentor. Class schedules can be changed throughout the first week of the semester without cost.

Withdraw/Dropping Classes

If a student insists on withdrawing/dropping from a class after the first week of the semester, the student and or family will be responsible for the entire cost of that class, including books and fees paid back to their High School. Neither the ECAC nor School District will cover any of these costs. The student will also have to retake the course at their own expense and time in order to not forfeit their place in the ECAC Cohort and continue in the program.

Retaking/Failing Classes

If a student decides to retake a class to better a grade or receives an “E”, that student will be responsible for the cost of retaking the class a second time, including books and fees. The High School will not cover the cost of students retaking a class.

In the case of English, If a student receives a grade of “C--“ or lower, they will need to retake English 101 or 102 to fulfill the requirement of Lake Michigan College. The cost for retaking the English class, including books and fees will be the responsibility of the student and not the High School. ECAC will not cover the cost of the class or books for any student retaking a class.

Changing Degree Choice

Students may change degree options during the first semester only – however, any course that is required by LMC for degree completion that was missed must be taken at their own time and expense. Please discuss options with the Dean/Mentor if you are interested in this option.

Academic Advising

Students are expected to check in with the Dean or Mentor on a weekly basis to discuss progress or concerns. These meetings can be scheduled, or students can stop by the Dean/Mentor’s office. An appointment is not necessary. Some meetings will be required and students will be responsible for checking e-mail for dates and times of the meeting.

Academic Complaint Procedures

Procedure for general and informal issues: Students having concerns, problems, or complaints of a general instructional nature (e.g., faculty, course offerings, and procedures) should immediately confer with the appropriate instructor involved in an effort to resolve the issues informally.

If, after working with the appropriate faculty member, the student's concerns or problems are not resolved, the student should then confer with the appropriate department chair in an effort to find a resolution. If, after working with the appropriate department chair, the student's concerns are not resolved, the student should discuss the issue with the appropriate Lake Michigan College Academic Dean, whose decision is final. All complaints submitted in writing, signed by a student, and addressed to or submitted to an institutional officer may be shared with any of the several agencies that accredit the college or its programs. Individual names will not be shared without the express permission of

the complainant. Procedure for formal grade appeals Students who desire to appeal a grade are to follow this procedure in this sequence. (1) Instructor. A student concerned about a grade should immediately discuss the issue with the instructor who awarded the grade. This appeal to the instructor is to occur as soon as possible and certainly within ten days of learning of the grade. The instructor will meet with the student, consider all of the issues, and then render a decision. (2) Department Chair. If, after discussion with the appropriate instructor, the dispute is not resolved, the student may appeal to the appropriate department chair within ten days of notification of the instructor's decision. The department chair will meet with the persons involved, attempt to resolve the issue, and then render a decision which will be communicated to the student in writing. (3) Instructional Dean. If, after discussion with the department chair, the dispute is not resolved, the student or faculty member may, within ten days of notification of the department chair's decision, appeal to the appropriate instructional dean. The Dean will meet with the persons involved in an attempt to resolve the issue and then render a decision which will be communicated in writing. The decision of the Dean is final. If a student appeals the final grade for a course, the formal appeal is to be completed within the semester immediately following the one in which the course grade was received. Grades older than one calendar year may not be appealed. lakemichigancollege.edu 108 1-800-252-1562 Grade appeal decision guidelines. When appealing a grade, the student is responsible for providing factual information and documentation to support the need to alter or modify the grade. If appealed beyond step (1) above, the department chair and Dean shall carefully consider whether or not the grade and the decisions leading up to it (a) were within the scope of the authority of the individual making the decision, (b) were done in accordance with established policies or procedures, and (c) were neither arbitrary nor capricious. The above procedures exclude issues related to sexual harassment, civil rights, Title IX, and disability concerns. Problems in these areas should be discussed with the assistant director of human resources and diversity, room A305, (269) 927-8102.

The vice president, student services may specify other behaviors that shall constitute student misconduct, subject to the approval of the president.

- **Safety:**

A student shall not engage in behavior that violates any safety rules of any classroom, laboratory, or other institutional facility. Smoking and use of tobacco products are strictly prohibited on the Allegan Tech Center property. Lake Michigan College and the Allegan Tech Center subscribe to the national goal of a drug-free

society. The Board of Trustees and the administration believe that drug abuse education and prevention programs are essential in dealing with illicit drug use and alcohol abuse by students on college premises or while engaged in college-related activities. Such abuse of drugs and alcohol by students constitutes a grave threat to their physical and mental well-being and significantly impedes the learning process. Lake Michigan College complies with local, state, and federal laws including those that regulate the possession, use, and sale of alcoholic beverages and controlled substances. Students who would like additional information regarding alcohol and drug abuse referral services may contact the Michigan Benefits Access Program at (269) 927-6284.

Smokeless Tobacco Lake Michigan College prohibits the use of smokeless tobacco products on any of its campuses. This includes chewing tobacco, dipping tobacco (dip), snuff, nasal tobacco (snus) and/or any other variation of smokeless tobacco product. Electronic and Mechanical Nicotine Delivery Systems and Vaping Lake Michigan College strictly prohibits the use of e-cigarettes and/or any other type of electronic or mechanical nicotine delivery system. This includes electronic cigarettes, pipes, cigars, and atomizers or mechanical devices such as mechanical personal vaporizers (MPVs) which use mechanical magnetic switches for activation. While the College recognizes that these products do not contain tobacco, their use looks similar to regular tobacco products and therefore gives the appearance of smoking. The Tobacco-Free Campus policy applies to any property owned or maintained by the college including inside all buildings (including residential living), exterior open spaces except where designated, indoor facilities, on-campus sidewalks, recreational spaces, vehicles owned or leased by the college, and parking lots except in personal vehicles.
